Profile

I am **Sushil Sahoo**, a Civil Engineering student at **Biju Patnaik University of Technology, Rourkela**, with a CGPA of **8.5+**. I am dedicated to balancing my academic pursuits with my growing interest in technology and software development. As a **Full Stack Developer**, I have immersed myself in both front-end and back-end development, with a keen interest in creating scalable and efficient web applications. I continuously seek to improve my technical skills and contribute to innovative projects, focusing on software architecture, problem-solving, and delivering high-quality solutions. My passion for coding and engineering drives me to explore new technologies and stay updated with industry trends.
